2020 General Election Candidate Endorsements**

Pro-Life Texans, a Human Coalition Action PAC, is pleased to announce our endorsement of the following candidates in the upcoming election.

These candidates share our belief that every human life has extraordinary intrinsic value (based on their past voting record and/or response to our 2020 survey). And together, we can create a culture in which human life is valued and families flourish.

You can even print this list and take it with you to the polls as a guide to vote for pro-life candidates on Election Day, November 3rd.
